Make a **BIG** impact with a small donation!

Trade your suits and heels for jeans and flats and help provide basic necessities and life-enhancing programs for your struggling neighbors at **Coalition for the Homeless of Central Florida**.

Your donation to **Dress Down for a Hand Up** will directly benefit the nearly 600 men, women and children who rely on the agency each day for nutritious meals, safe shelter and the supportive services that will lead them to self-sufficiency.

Make a difference today!

According to the US Census Bureau, nearly 40 million people were living in poverty last year, the highest number in 11 years. Coalition for the Homeless of Central Florida provided over 211,000 nights of shelter and nearly 300,000 meals to hungry men, women and children. This represents only a fraction of the need in our region. You can help alleviate suffering and make a difference in someone's life today!
